# A Hospital Stay Need Not Kill Your Retirement

## Hospital Indemnity Insurance Keeps Your Retirement Healthy

A hospital stay is not a matter of **IF**, but **WHEN**. Can your budget survive a hospital stay daily copay? A 3-day to 1-week stay can cost you \$500 to \$1,600 each benefit period.

**Hospital Indemnity Protects You for Pennies on the Dollar!**

- **Pays YOU** a flat amount per day you're in the hospital!
- This is paid directly to you, **NOT the hospital**, for you to use as needed!
- Pay your bill and keep the rest!
